

# **Your Ultimate Business Game Plan**

Before you start completing this exercise, you must allow yourself to completely disengage from your current situation and realize (100%) that many people on our team who got access to the right information, the right mentors, the right mindset techniques, the right business systems, and the right daily plan of action have absolutely achieved EVERYTHING and probably more than what you'll be able to dream right now. (don't worry, we'll have you dreaming bigger very soon)

So as you create your business plan, get rid of the skeptical 'self-doubter' in your head so you can unleash your imagination and let yourself dream bigger than you ever have before with confidence that you can achieve any goal you set your mind to by simply following the proven game plan we have laid out for you.

Type out your answers and then print this document so you can look at them on a daily basis because as you keep visualizing yourself living your dreams, you will naturally take more action and move towards manifesting them in your life.

## **Do you have the heart and desire to change your current lifestyle?**

YES or NO

## **What does your dream lifestyle look like?**

Examples:

- What Home? (Million dollar mansion? \$500,000 lake house?)
- Cars? (Ferrari F450? BMW 7-Series? Toyota Highlander Hybrid?)
- How many vacations do you take a year? (3 weeks? 5 weeks?)
- Any other dreams? (ex. Retire parents, world travel, donations)

## **What does your dream day look like?**

Examples:

- How would you wake up? (no alarm clock, morning yoga/exercise, relaxing breakfast and coffee with your spouse or best friends)
- How many hours do you work per day? (4 hours? 2 hours? None?)
- How would you spend the rest of your time? (golf, beach, playing with your kids at the park, reading, fishing, lunch or diner date with your spouse)

**How much monthly income will it take to live that lifestyle?**

Examples:

- House and living expenses: Million dollar home = \$8,000/month
- Cars: BMW 7-Series or Mercedes Benz = \$1000/month
- 3 vacations per year = \$1000/month (\$4,000 per vacation)

**Monthly Income required to live your dream lifestyle: \$10,000/month**

**Can you actually see yourself reaching that financial goal? Can you feel it?**

YES or NO

**Are you committed to following this game plan and reaching that goal?**

YES or NO

**Who (besides you) is going to benefit from you reaching that goal?**

**What personal assets do you have to help you reach that goal fast?**

- **Time** (how many hours per day for training/marketing?)
- **Startup Capital** (credit cards, bank account, sellable assets?)
- **Marketing Budget** (initially/monthly for paid marketing?)
